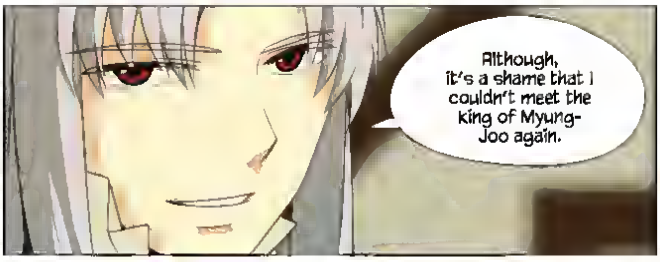
The palace of Dae-Hyun: Tae-Ryung

Gan-Hon-Gak

I wouldn't have thought we'd meet again so quickly.
Glance



Although, it's a shame that I couldn't meet the king of Myung-Joo again.

Why was the meeting date pushed back by two days?
There was a lot of confusion because of the date change.
This meeting in Dae-Hyun is important, but please consider the duties that we each have in our own countries.

I believe...
the princess of Nan-Hun should explain that to us.

I asked the emperor to delay the meeting. There was something bothering me.
I apologize to you other monarchs.
Something bothering you? Did something happen?

I thought that the letter sent to the king of Myung-Joo was different from the one Nan-Hun received.

Since the princess was so suspicious of me, I have asked the acting king of Myung-Joo to bring the message with him.
!
Take a look. See if it is any different from the one Nan-Hun received.

Opens

Well? Is it any different, Princess No-Woo?

... It's the same.
Then I believe your doubts have been cleared.

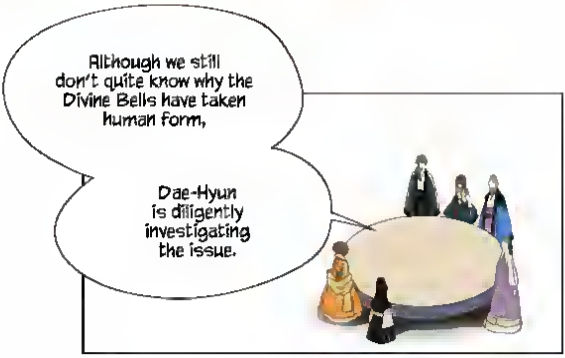
BUT THE ONE THAT HONG-RYUNG... ERRR, THE ONE THAT THE KING OF MYUNG-JOO RECEIVED HAD A DIFFERENT MESSAGE.
IT DEFINITELY TOLD HIM TO COME TO DAE-HYUN!

Did you take a look at it yourself?
Pardon?
I asked whether or not you read the message that Myung-Joo received.

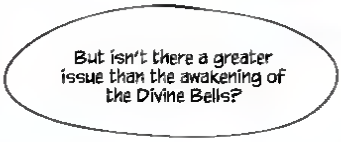
... I did not.
Well then, that's that.

We actually had a different reason for this meeting, did we not?

Well, of course. We are gathered here to discuss the Divine Bells taking human form.



Although we still don't quite know why the Divine Bells have taken human form,
Dae-Hyun is diligently investigating the issue.



But isn't there a greater issue than the awakening of the Divine Bells?

Hmm?

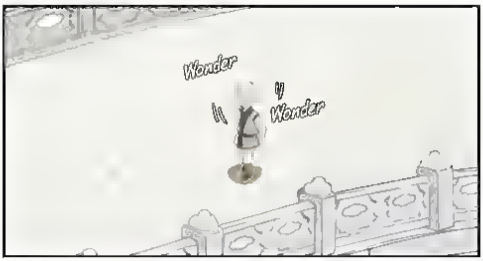
Divine Bells

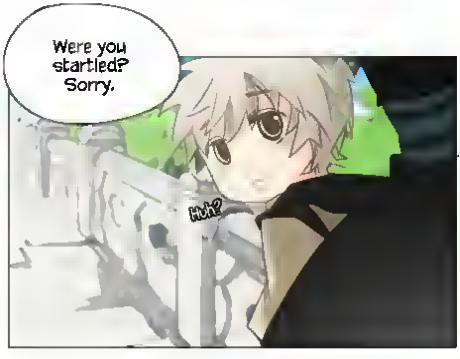
Season 2, Chapter 1: Meeting



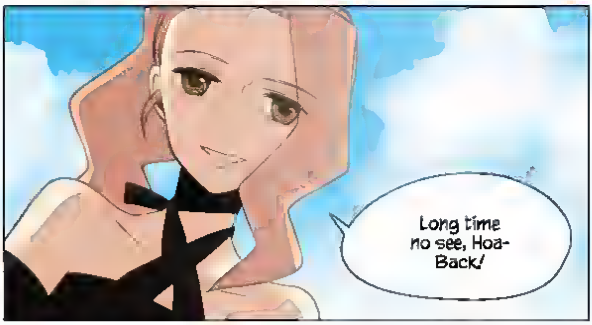
Wonder
Wonder

Where was it?
It's not here
either.

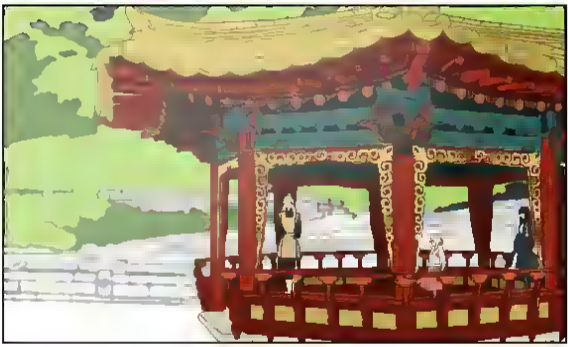
Tap
WAAAH!



Were you
startled?
Sorry.
Huh?

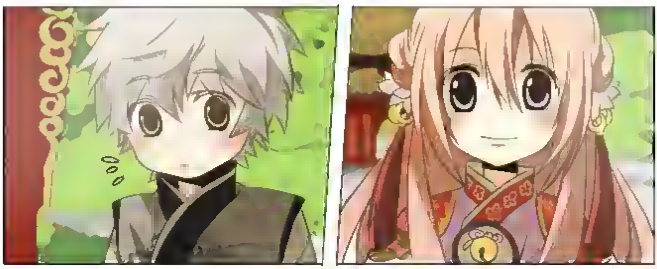


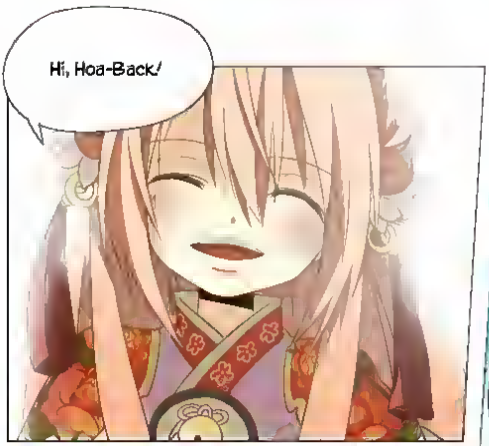
Long time no see, Hoa-Back!



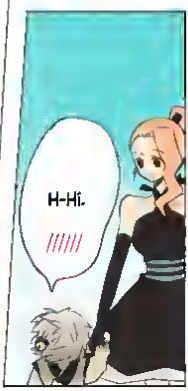
Nearly everyone's here.
I'm surprised that you were all able to make it back.

Hoa-Back! Where d'ya think yer running around? If you're back in Tae-Ryung, then this is the only place to come!
Hehheh
Sorry, I got confused because it's been such a long time since I was last here.

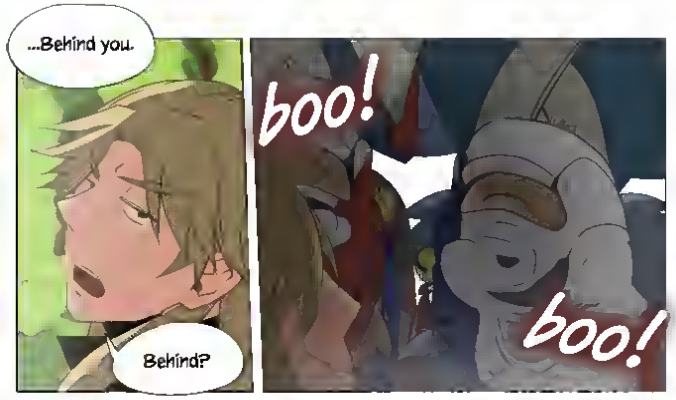




T/N: IT'S A LOLI! Better not be a trap loli *Fingers crossed*



And the twins?
I couldn't find Bo-Woo and Ra-Woo no matter how hard I sear...
That's for the best They just love to piss me off when they're around.
...
What?
What's with your expressions?

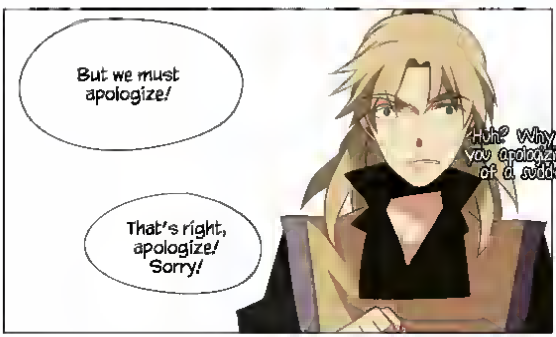


...Behind you.
Behind?
boo!
boo!

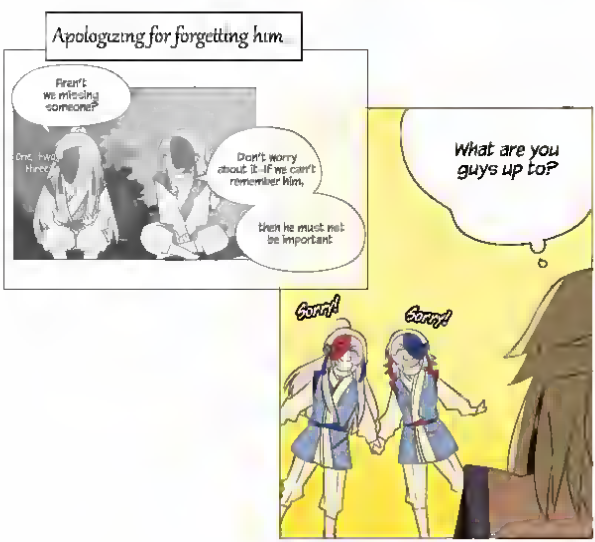
WHOAAAA!!!

WHAT ARE YOU DOING??!! YOU BRAINLESS TWINS!! I TOLD YOU NOT TO WEAR THOSE MASKS!! YOU SCARED THE BEJEEBERS OUT OF ME!!
Land
Land
Doncha think Yun's pretty stupid?
Yeah, stupid for sure.
Say what?

Isn't it obvious that we wear these to spook people? Right, Bo-Woo?
Yep. Because Yun looks the most stupid when he's surprised.
Who're you calling stupid?! When you guys are the most stupid ones of all!



But we must apologize!
That's right, apologize! Sorry!
Huh? Why are you apologizing all of a sudden?



Apologizing for forgetting him
Aren't we missing someone?
One, two, three?
Don't worry about it. If we can't remember him,
then he must not be important
What are you guys up to?
Sorry!
Sorry!

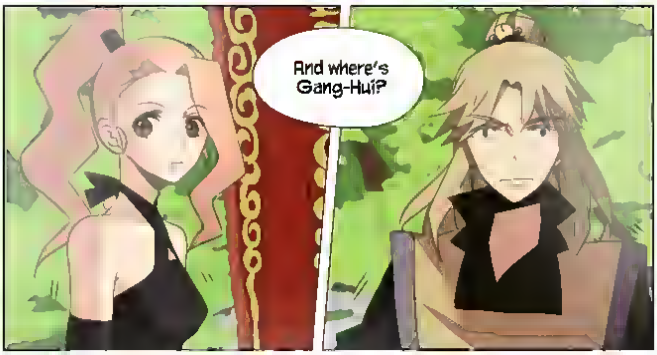
I didn't think we'd see each other again.

But I'm so glad we could meet again.

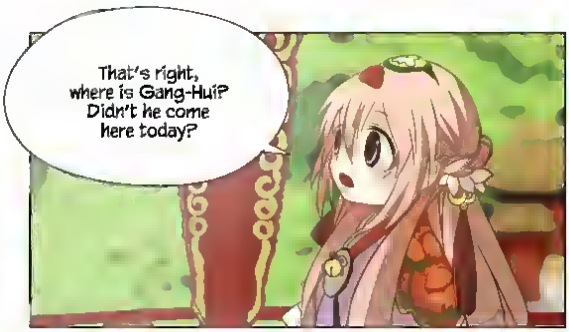
You're silly as ever.
Don't get carried away over simply meeting again.

Did you think we'd never see each other again?

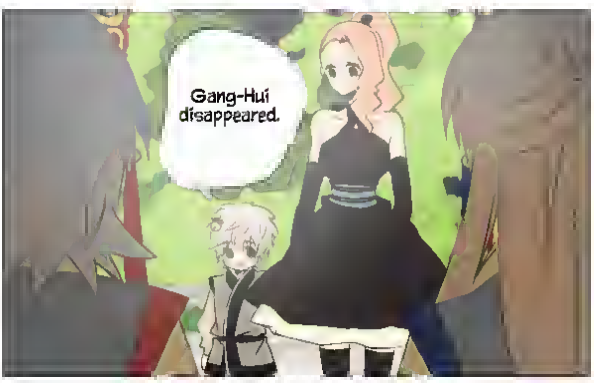
And you're still killing any good mood you find, as always.
You and your dead-looking eyes. You could slice through someone with a glance.
At least I'm not you, who can't even read a mood at all.
WHY YOU... YOU...!!
...



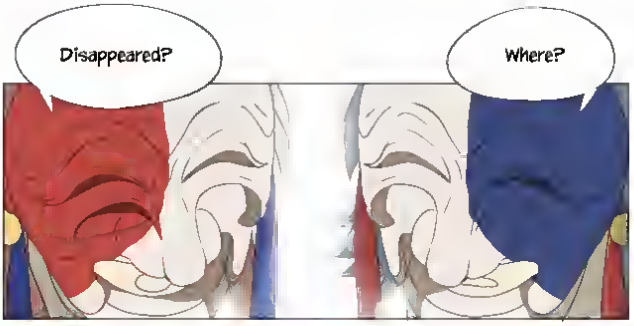
And where's Gang-Hui?



That's right, where is Gang-Hui? Didn't he come here today?

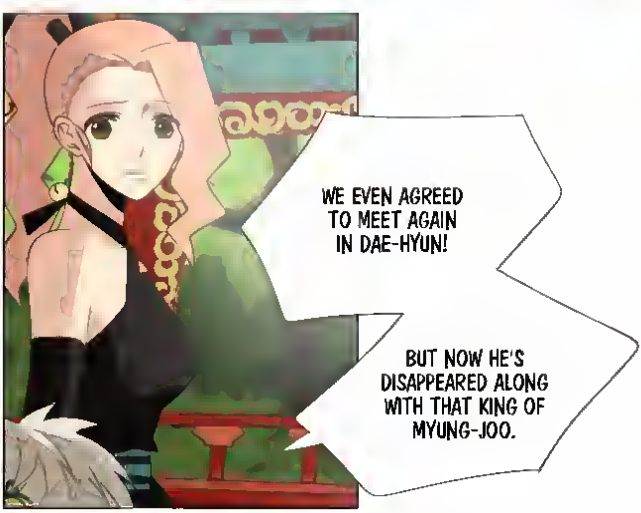


Gang-Hui disappeared.

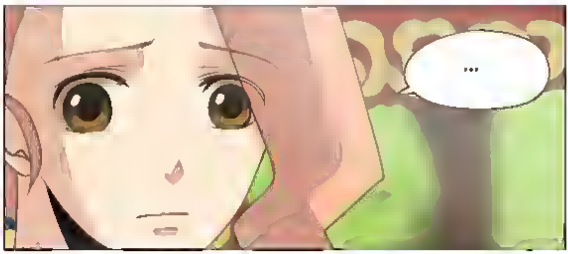


Disappeared?
Where?

It's not that surprising that he disappeared.
Hasn't he always been like that?
BUT SOMETHING'S WRONG!
I WAS WITH GANG-HUI WHEN WE WOKE UP, BUT HE GAVE NO SIGNS OF WANTING TO RUN AWAY!



WE EVEN AGREED TO MEET AGAIN IN DAE-HYUN!
BUT NOW HE'S DISAPPEARED ALONG WITH THAT KING OF MYUNG-JOO.

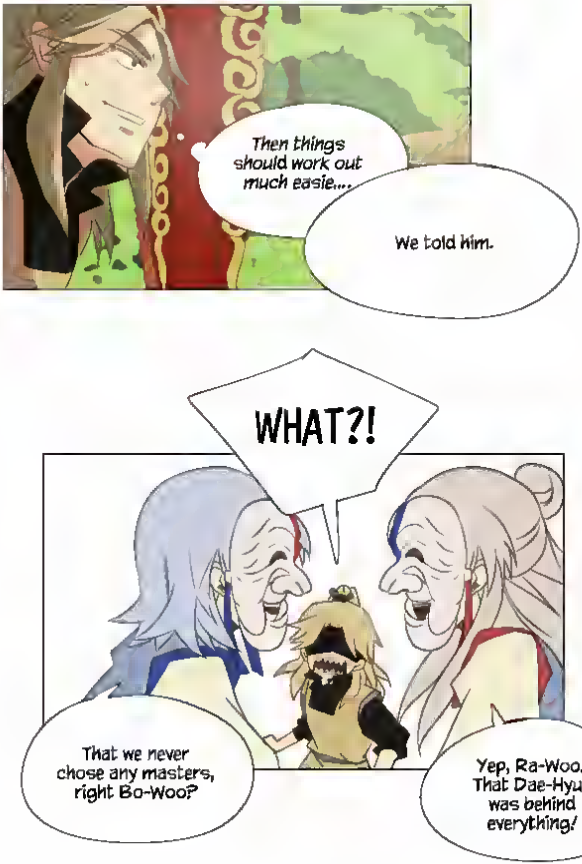


...

L-Leaving that aside...

Did you tell them about us? That we never selected masters?

I didn't. I'm not stupid enough to let them know without judging the situation first.
Me neither.



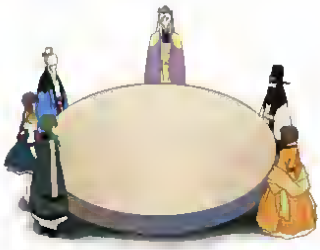
Then things should work out much easie....
We told him.
WHAT?!
That we never chose any masters, right Bo-Woo?
Yep, Ra-Woo! That Dae-Hyun was behind everything!

IF YOU TOLD THEM THAT...!
Sorry...

I TOLD THEM AS WELL.
Don't get angry, Yun..

Then I suppose...

They'll all know about it by now.



I-Is that possibly true?

I heard it straight from the awakened Divine Bells!

NOW, PLEASE EXPLAIN THIS TO US!

EXPLAIN THE THINGS THAT DAE-HYUN HAS BEEN DOING!

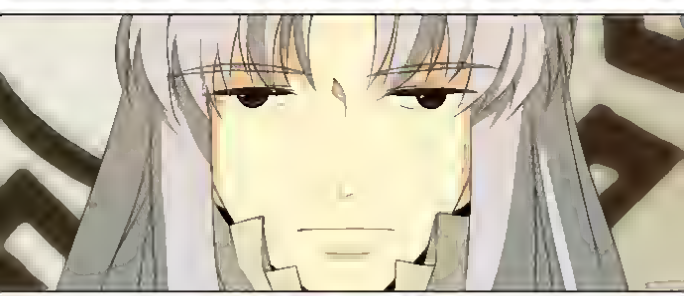
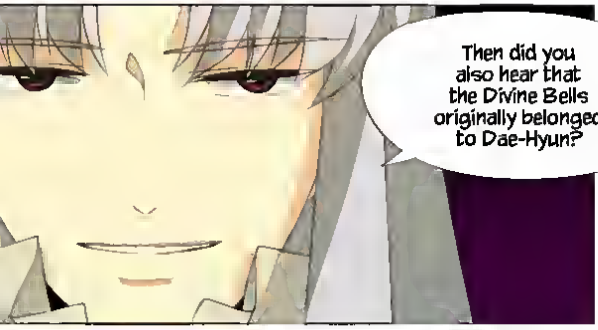
I-is that possibly true?
I heard it straight from the awakened Divine Bells!
NOW PLEASE EXPLAIN THIS TO US!

EXPLAIN THE THINGS THAT DAE-HYUN HAS BEEN DOING!



To be honest, I'm relieved that the Bells woke up. Ever since becoming emperor,
I've been uneasy after finding out about the Divine Bells. I am so relieved that the truth has been revealed.
DO YOU PLAN TO SIMPLY GLOSS THIS OVER, JUST LIKE THAT? AFTER DECEIVING THE OTHER COUNTRIES FOR 150 YEARS?!
Don't you think that this is too big to simply ignore?
What, are you expecting Dae-Hyun to apologize or something?
ISN'T IT OBVIOUS? AFTER SOMETHING OF THIS SCALE, EVEN DAE-HYUN CANNOT GET AWAY WITH SHRUGGING THIS OFF!

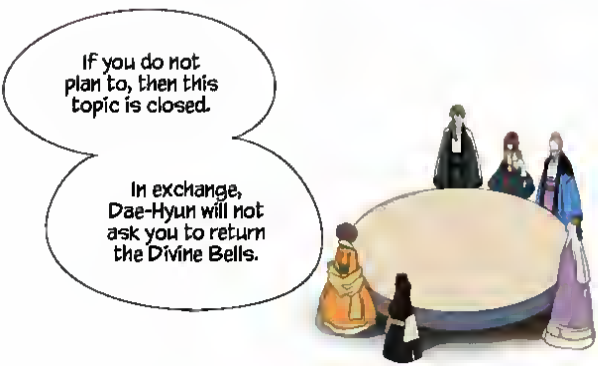


Then did you also hear that the Divine Bells originally belonged to Dae-Hyun?

!

It appears you were not aware that Dae-Hyun originally owned all the Divine Bells.
So that's why he was this bold.

If Dae-Hyun apologized and took decisive action to reclaim the Divine Bells and investigate this matter,
would you return your Bells to Dae-Hyun?
T-That's...



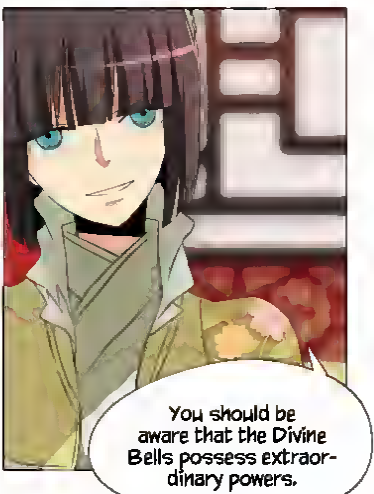
If you do not plan to, then this topic is closed.
In exchange, Dae-Hyun will not ask you to return the Divine Bells.

But then, what will you do with the current Divine Bells?
Obviously, the Divine Bells will not be choosing any more masters.
As I just said, we won't interfere with your ownership of yours. We don't plan to reclaim them, so please keep them in your own countries.
Fortunately, each country has at least one Bell.
Of course, it is a shame that both the king and the Divine Bell of Myung-Joo are missing.

DO YOU THINK THE DIVINE BELLS ARE UNCHANGED? THEY TOOK HUMAN FORM AND THEY HAVE PERSONALITIES!
MY DIVINE BELLS KEEP INSISTING THAT THEY WANT TO LEAVE AT ONCE!

So what are you implying?
I SAY WE NEED A PLAN TO TIE DOWN THE DIVINE BELLS!

What do you mean, tie them down? You'll be tied down instead, king of Bu-Ho.
What?



You should be aware that the Divine Bells possess extraordinary powers.

THAT'S EXACTLY WHY I SAY WE NEED TO BIND THEM.
I believe that a monarch must be able to persuade someone to stand by them.
If the Divine Bells were to leave, that would prove how much of a king you are, King Yu-Dam.
W-WHAT?!
I do not really want to shackle the Divine Bells. Awake for the first time in 150 years, won't they long for freedom?
If they wish to leave their palace, I believe their ruler must have the grace to allow it.
THEN YOU WOULDN'T STOP THE DIVINE BELLS OF DAE-HYUN IF THEY WISHED TO LEAVE?

But,
of course.
I would allow my
Divine Bells to leave
if they so wished.
JUST A
MINUTE...!
I concur.
There is
no need for us
to lock them
down.

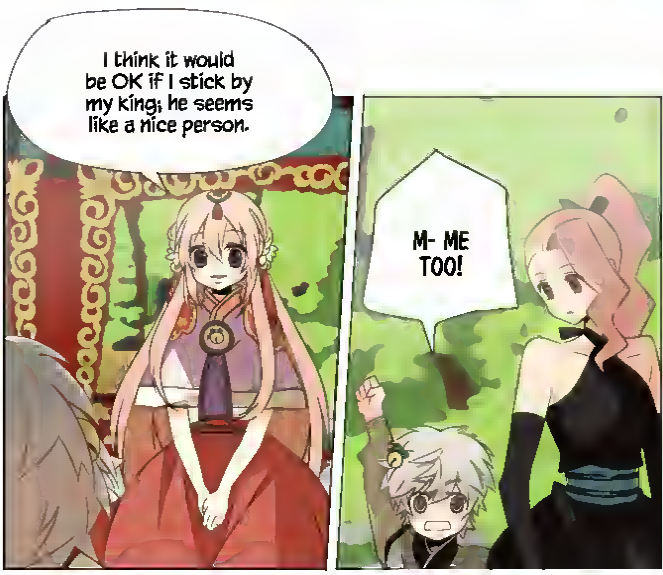
Dark Bells

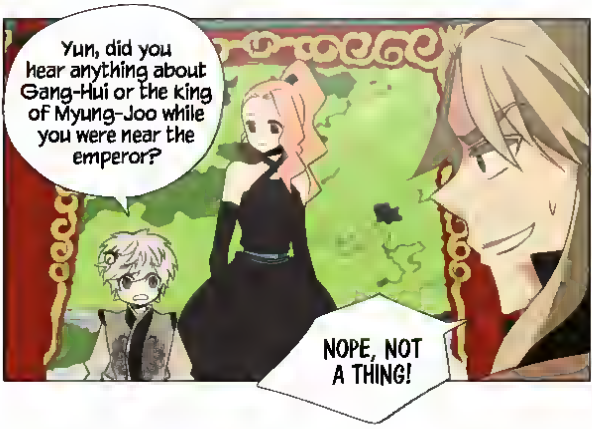
Season 2, Chapter 2 Split

You're leaving?



What about you two?
I'm.... going to stick around.
...
You're hiding something, aren't you?
W-WHAT?! WHY WOULD I?!

Isn't it strange? You hated Baek-Yeom, the emperor of Dae-Hyun. Yet now, you want to stand by the current emperor? Really, Yun?
THAT GUY ISN'T BAEK-YEOM! NOT ALL EMPERORS OF DAE-HYUN ARE THE SAME!



Yun, did you hear anything about Gang-Hui or the king of Myung-Joo while you were near the emperor?
NOPE, NOT A THING!

When Gang-Hui and the king of Myung-Joo disappeared, No-Woo said there must be a connection to Dae-Hyun! Do you know anything about it?
...
I don't.

You asked about the twins, but not about Gang-Hui.

And the twins?

You already assumed that Gang-Hui wasn't coming, didn't you?
Is Hoa-Back right? Is their disappearance somehow connected to the emperor?
...

Yun and Gang-Hui were never very friendly with each other.
Step

Wouldn't it be stranger if Yun actually wanted to meet him after 150 years of sleep?

I don't know what they're hiding.

You guys do whatever you want, and I'll do what I want, too.
Yeah.
Sorry.

Hoa-Back!
Hoa-Back!

Did he get lost on this huge estate?
Even I can't tell where to go
Step

Why don't we talk for a moment?

How... how dare a princess... how dare the princess of Nan-Hun look down on me?
What do you reckon? It seems like the Divine Bells of Bu-Ho won't be loyal to you.
... EH HEMM!
To be honest, my Divine Bell is that way, too.
It won't listen to me at all.
We need a plan. We cannot let the whole Divine Bell business go Dae-Hyun's way. We need to make use of this opportunity.
ARE YOU SAYING YOU'LL GO UP AGAINST DAE-HYUN?

Glance
Glance

Don't even think about it./ This is not a trifling matter./ Things could've been different if we noticed 150 years ago, but we cannot possibly oppose Dae-Hyun in this day and age./
We wouldn't stand a chance. Are you planning a full scale war?!

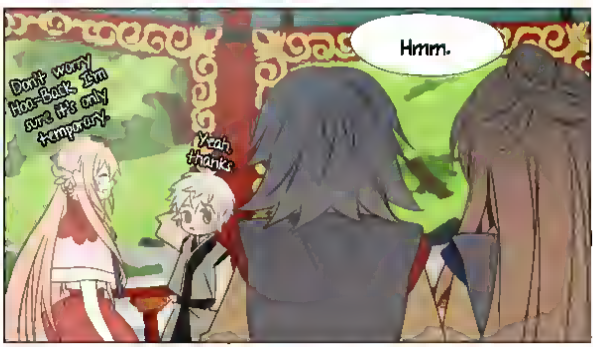
Also, there's a stand-in for the king leading Nan-Hun, and they have a close relationship with Dae-Hyun.
If Dae-Hyun and Nan-Hun form an alliance, we would be done for.

Even I'm aware of that!
We need—

To create a rift between Nam-Hun and Dae-Hyun.
Clench

Anything!

You can't use your ability?
Naw.
Why?
How come?
I'm not too sure. Gang-Hui said that it's probably because I've been asleep so long.



Hmm.
Don't worry, Hae-Soak. I'm sure it's only temporary.
Yeah, thanks.

I came here prepared.
Prepared for what?
To be told off by you, my lady.
I came in place of the king, even after I said that I did not want to become one.
Or maybe you just don't want to talk to me?

I don't have the right to tell you off.
?

I'm not doing anything for Hong-Ryung right now.

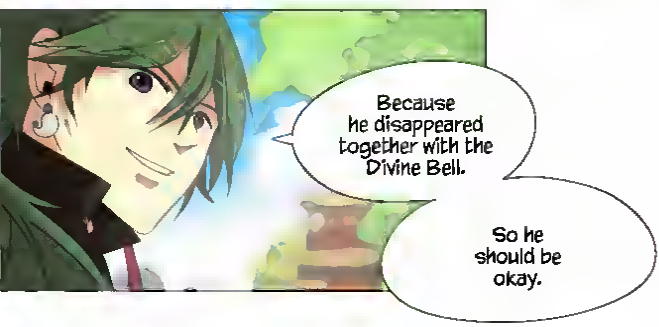
We are turning Myung-Joo upside down in search of the king, so please do not worry too much about it.

You're at your best when you're loud, my lady.
So please laugh.
That's not a compliment now, is it, you arrogant fool?

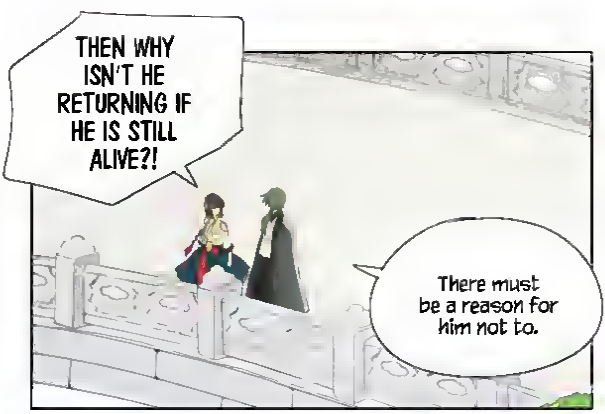
Grip

Hong-Ryung... is alive, right?

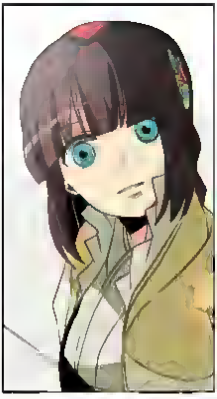
He is alive.
HOW CAN YOU BE SO SURE?



Because he disappeared together with the Divine Bell.
So he should be okay.



THEN WHY ISN'T HE RETURNING IF HE IS STILL ALIVE?!
There must be a reason for him not to.

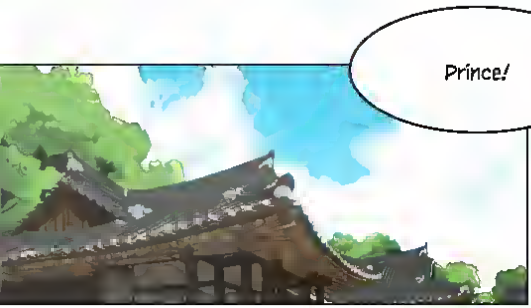


You will return to your place when Hong-Ryung comes back, right?

STORY/ART LEE HYE

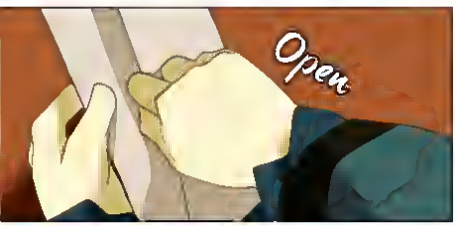
Divine Bells

Season 2, Chapter 3: Truthful



Prince!

It's a
letter from
Wi-Jin.



Open

My prince, I hope you are doing well. 10 days have already passed since we left on this journey.
During that time, we have travelled to various places, and are now at a place called Woul-Ju.

Recalling my travels with my grandfather, I remembered there were a lot of camellias in this area, so we made sure to come here.
To come straight to the point...

...for the second time in my life, I nearly died.

Why won't you answer us?
Hey, buddy, can't ya hear me?
No way am I your buddy!!
We're reasonable guys, ya know? So why don'cha fork over da baggage without a fuss, capisce?
If I give our luggage to you, then something way more frightening is in store for me!!!!
What? You let them take our baggage?
You better not be joking now, you joker
I'm a reasonable guy, but not very patient.
Ah. I see
Why aren't those guys coming back? Wah!

It seems we can't bring the horses and packs inside.
Wi-Jin, you look after our luggage; we'll go inside.
I was getting tired anyway.

Maybe it was my fault for being lazy while they were searching hard for Ga-Bi.

Maybe it was my fault for looking after the baggage without a care in the world.

Maybe that was how I got into that situation.

No... that's
I CAN'T GIVE YOU EVERYTHING!! HALF! I'LL GIVE YOU HALF!! I CAN GIVE YOU HALF THE MONEY I HAVE!
WHY DON'T WE LEAVE IT AT THAT?!

...

WHAT THE HELL, MAN?!
I TRIED BEING NICE, AND YOU TREAT US LIKE BUNCH OF IDIOTS!
I NEVER SAID YOU WERE BUNCH OF IDIOTS!! FOR US BOTH TO BE HAPPY, I JUST...!
I'm scared of both you and Ha-Hyeon!!

WHY YOU!!!

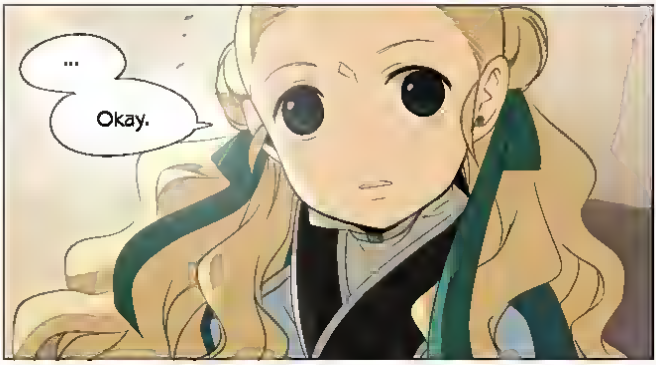
I think you shouldn't overuse your powers.



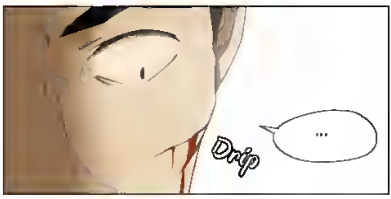
...
Okay.

Grrr.

JUST WHO ARE YOU GUYS?!

What do you mean? We're just the owners of the baggage that you guys were trying to steal!
How dare you try to rob us! I haven't been in a fight in a while - you wanna have a go?

P/N remember? Duk-Pal — Mr Virtue

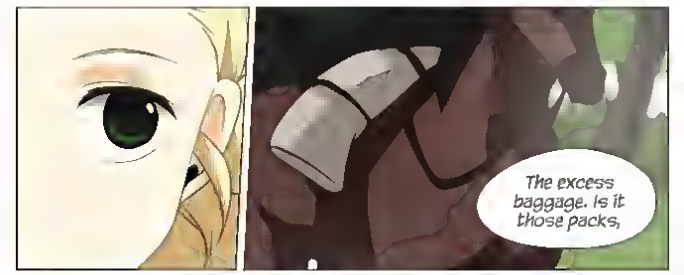


Uhhh...
W-WE WON'T FORGIVE YOU NEXT TIME!!
So noisy, even when they're running away.

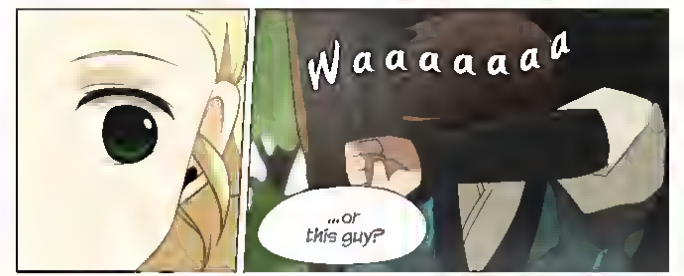
Are you all right, Wi-Jin? Are you hurt anywhere?
You can't even take care of guys like them? How can you call yourself a man?
Swap

AS IF YOU COULD FIND A GUY WHO CAN STAND UP TO A WHOLE GANG OF ROBBERS ALL ALONE!!
WHY ARE YOU GETTING ANGRY?
And who do you think you're yelling at?
Tear

WHY WERE YOU SO LATE?! I WAS SO SCARED!!
Waaaaaaaa
HEY! ARE YOU CRYING??
Sorry Wi-Jin, it took longer because the path was more dangerous than expected.

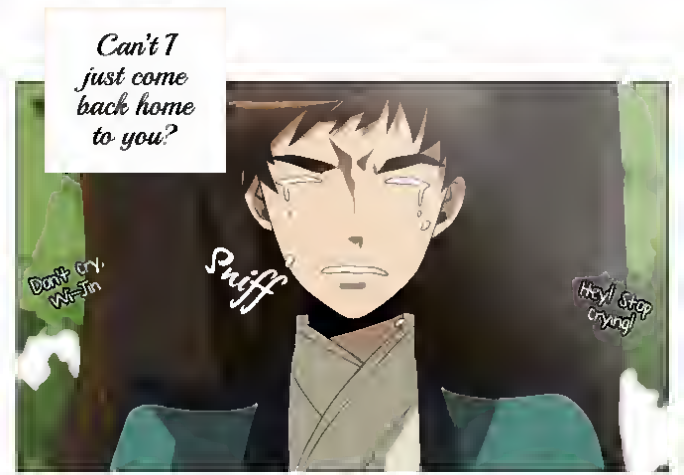


The excess baggage. Is it those packs,



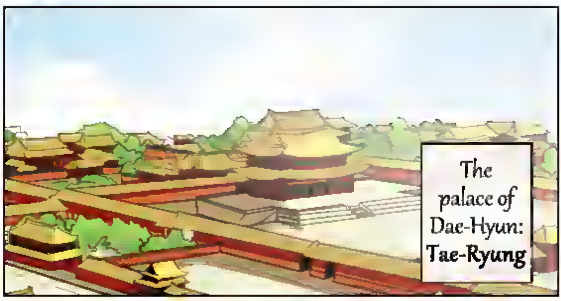
Waaaaaaaa
...or this guy?

Don't just stand there! Hurry up and apologize to him!
Why should I apologize? I haven't done anything wrong!
Sigh
I really can't tell.
So in conclusion, my prince,



Can't I just come back home to you?
Don't cry, Wi-Jin
Sniff
Hey! Stop crying!

A regular guy like me has no place in this group.
I feel bad now.
Do your best, Wi-Jin!



The palace of Dae-Hyun: Tae-Ryung

Where are those Divine Bell brats?
Both of them are inside.

Then when should we leave?

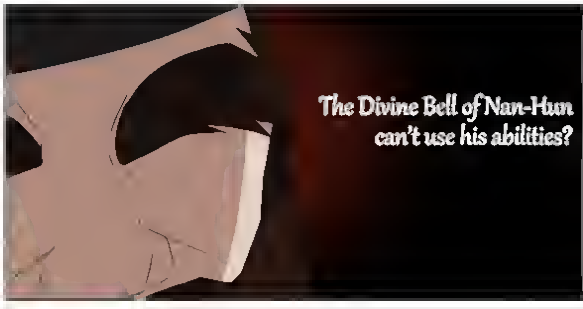
Hmm, I wonder when?
Let's leave quickly, quickly!

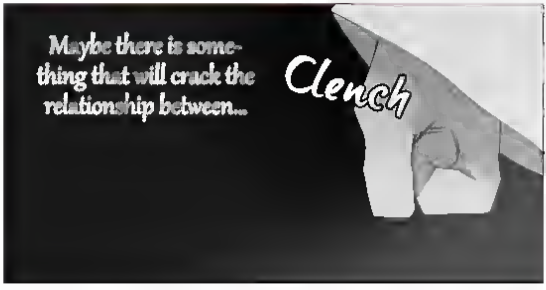
So they really are planning to leave!

Hoa-Back said that he'll follow his ruler, right? Ah, no, the princess to be exact, right?
Yep, he will! Nan-Hun!

That's right, Nan-Hun!
Tsk. So she didn't need to worry about the issue..
There is no need for us to tie them down by our side.

But why can't Hoa-Back use his abilities?
Yeah, I wonder why.
It's a pity. I like Hoa-Back's abilities.
Me too! I hope he gets them back soon.





...Nan-Hun and Dae-Hyun!

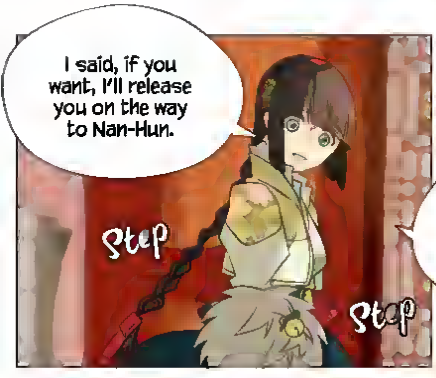
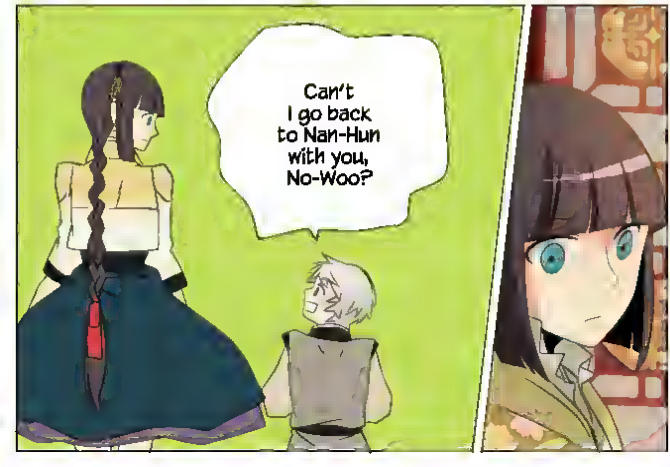
Your Highness...
The king of Bu-Ho is here to see you
What's the matter?
You must be busy preparing for your trip back to your own country.
It seems that I am troubling you.
But I did find out some interesting information that I just cannot keep to myself.

Huh?



I said, if you want, I'll release you on the way to Nan-Hun.
Step
Step

Once we get back to Nan-Hun, I don't think my mother will let you go just because you want it.



Can't I go back to Nan-Hun with you, No-Woo?

You want to come with me?
And stay at the palace?
...

I don't know.
?

Even 150 years ago, I only lived inside Tae-Ryung Palace.
So I don't know how to live
outside of a palace.

I don't know what I can do by myself...
I'm sorry. I'm just a kid who can't do anything without his powers.

That's the way it is, then.
?

pat
pat

I'll have to work hard to protect you from my mother once we get back to Nan-Hun.

Hee hee
The Divine Bell of Nan-Hun can't use his powers?

Yes, that's right.
So what?
What do you mean, "So what?" I'm saying that we should exploit that.
Exploit it? But how?
When the princess of Nan-Hun and her Divine Bell return to Nan-Hun, we'll make sure the Divine Bell...
...disappears.

WHAT???!!!!
Keep quiet!
What do you mean, "disappear?!" C-Can we make a Divine Bell disappear?
They're not gods in the first place. And if Nan-Hum's Divine Bell regains its powers, wouldn't they look down on us even more?
Their Divine Bell's inability to use its powers is a godsend straight from heaven!

And don't you think things would be even more interesting if the Divine Bell disappeared in Dae-Hyun?
You plan to carry it out within Dae-Hyun??
IF WE GET CAUGHT, WE'RE DONE FOR!
So we'll obviously have to do this in secret. If we succeed, it's just a matter of time until the Nan-Hun–Dae-Hyun alliance collapses.
I already sent a messenger out to Bu-Ho. The squad should arrive secretly in Dae-Hyun soon.
I'M NOT PART OF THIS! DON'T TRY TO DRAG ME INTO IT!

What are you saying?
Aren't we already in the same boat?
...!?

Puffy

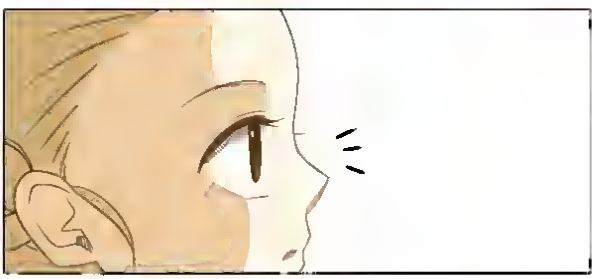
Look at your face. It's quite a sight after all that crying.
W-WHAT ARE YOU SAYING?
And you slept for half a day! We wasted a day because of you!

I HAD SOME PENT-UP STRESS! DON'T ASSUME THAT I'M AS PHYSICALLY HEALTHY AS YOU! I'M JUST A NORMAL HUMAN!
Aren't ya getting a bit cocky these days?
Ha-ha
Anyway, so what about the place you checked out yesterday?

There wasn't anything special this time, either.
I was so certain that would be the place.
We're making no progress.
Tch
It's only been 10 days.
...
I know.

I think we need to understand the meaning of the red camellias,
rather than looking for places that have camellias without a plan.
Then what does the red bit mean?

We searched for places where lots of camellias bloom, but it doesn't seem to be that simple
Red... red...



That's also red.
Hmm?

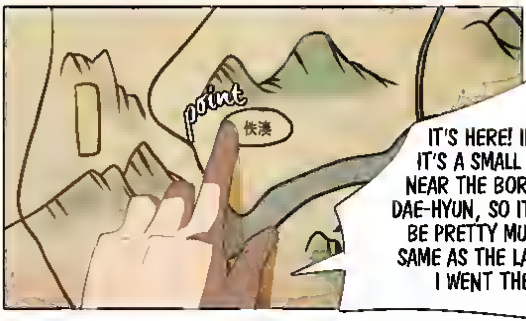
Sunset...
AH! THAT'S RIGHT! THERE IS A PLACE!
A PLACE WHERE THE SUNSET LOOKS LIKE IT'S SWALLOWING UP A FIELD OF CAMELLIAS!

Let's see...
it was just over
So-Young Mountain...

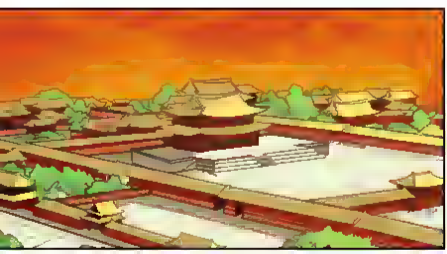


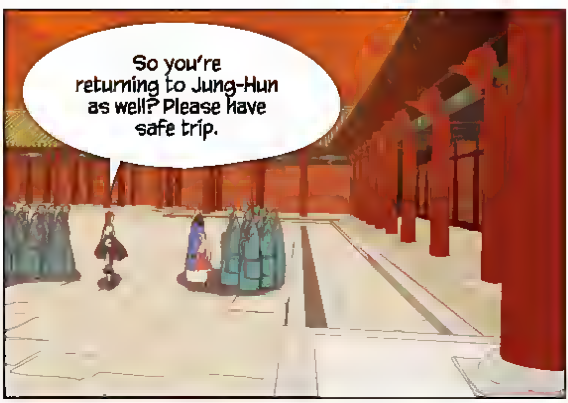
IT'S HERE! IL-JU!
IT'S A SMALL TOWN
NEAR THE BORDER OF
DAE-HYUN, SO IT SHOULD
BE PRETTY MUCH THE
SAME AS THE LAST TIME
I WENT THERE.

Wi-Jin, you have a great memory. Didn't you say that you were nine years old when you followed your grandfather?
My memory is the only thing I'm confident about.
If it's Il-Jun, then it's not too far from here.
Dash

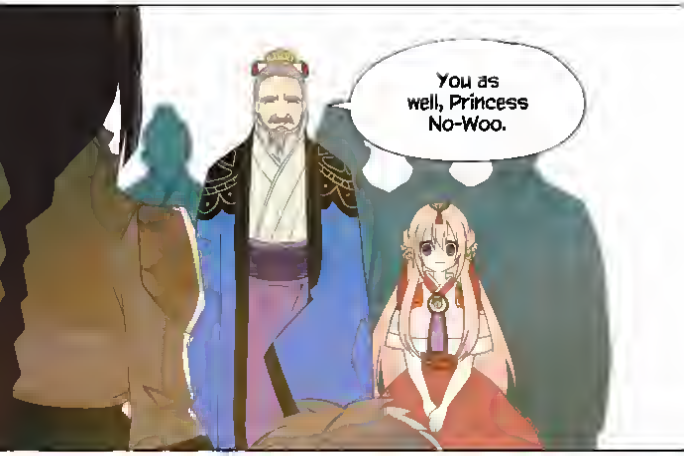
Don't just stand there! We should hurry!

...
Yeah.

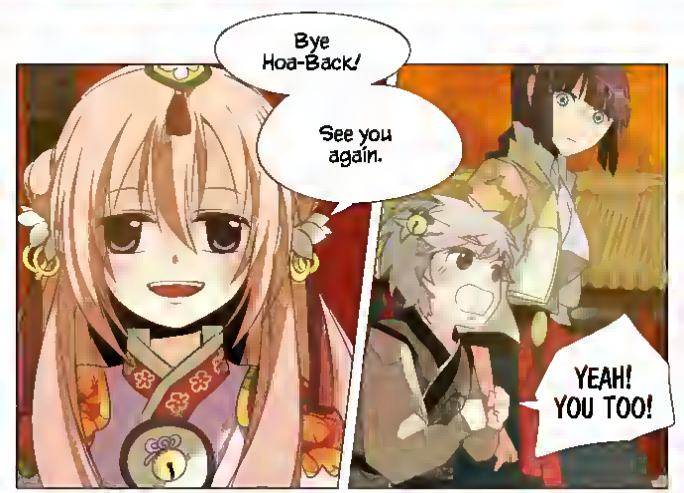




So you're returning to Jung-Hun as well? Please have safe trip.



You as well, Princess No-Woo.



Bye Hoa-Back!
See you again.
YEAH! YOU TOO!

Hmm.

No-o-o-o-o!
Ummm!
So it's like that?

I guess you're a guy as well

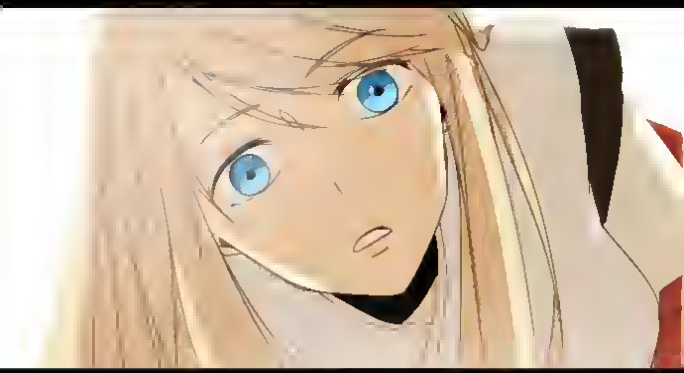
What are you doing here, Gang-Hui?



What do you think? I got worn out looking for you.
If you're going to wander the estate, would it hurt to let others know where you're headed?

Baek-Yeom told me to find you.

Then I won't go.

But you'll get in trouble, won't you, Gang-Hui?

So is that why we're messing around like this?
We're not messing around; we're resting.
There's that saying, "Make haste slowly," isn't there?
Yeah, yeah.
I know it.
But it's not that easy.

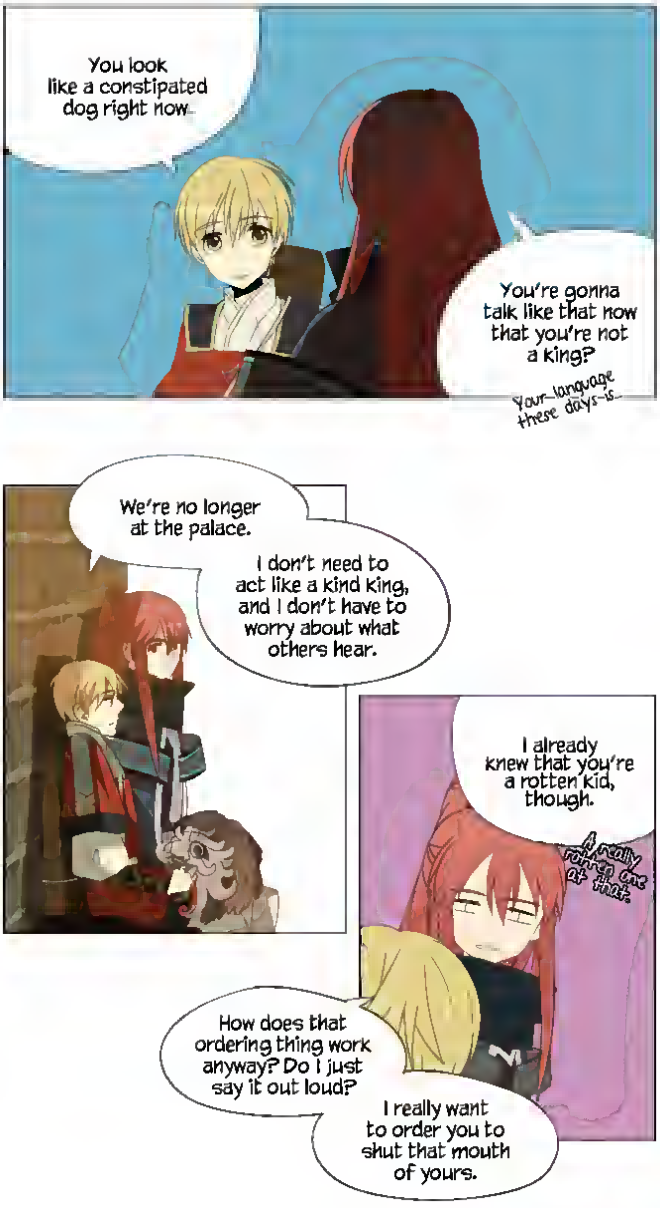
Do what?

Make it an order. You can't disobey my orders, right?
Should I order you to simmer down? Does an order like that even work?

Do I really look that impatient?

The past few days, you've been barely recognizable.
Even Ha-Hyeon noticed. She suggested that we should take some time off to wind down.
That kid did?



You look like a constipated dog right now.
You're gonna talk like that now that you're not a king?
Your language these days is...
We're no longer at the palace.
I don't need to act like a kind king, and I don't have to worry about what others hear.
I already knew that you're a rotten kid, though.
I really fell in love at first.
How does that ordering thing work anyway? Do I just say it out loud?
I really want to order you to shut that mouth of yours.

Not telling.

You meanie.

Well, even if you don't order me, I think my head has cleared up.

Yep.

Well? Are you still worried now?
You've been worrying about him, right?

So you actually did it for me? Not Gang-Hui?
Did you do it on purpose?
So you actually noticed?

Yep, why should I do anything for that redhead? He has nothing to do with me and I don't have that much free time.
This kid is really blunt.
She sounds so ruthless.

Elixir of Immortality, my ass. I can't believe there are people who still believe that stuff.

Where did you get ahold of that?
If you go to Hyang-Won, apparently there is an incredibly strong priestess.

Divine Bells 7

Season 2, Chapter 10.
A New Situation

You say the king of Bu-Ho wanted to kill Hoa-Back?
You overheard him ordering assassins, and so you came to help?
Yep! We think he overheard that Hoa-Back can't use any powers.
Sorry that slipped out Hoa-Back.
Ah, it's okay.

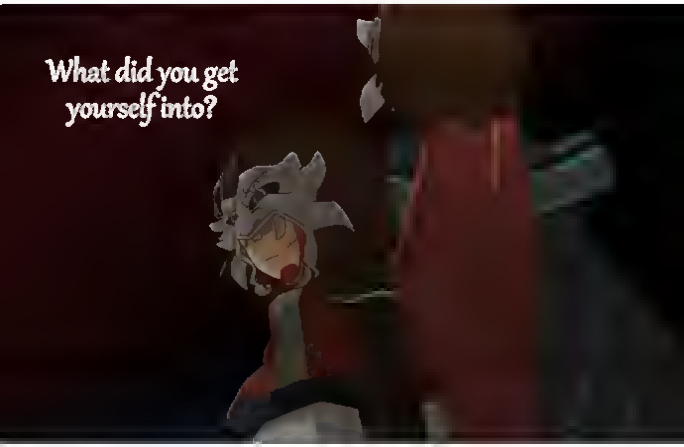
It's pretty common for the twins to cause incidents by shooting off their mouths.
Ha-ha.
No Hard Feelings
Whew! How positive.

And then, you say the ones who actually attacked us were under Baek-Yeom's control instead?
Yep. It was Baek-Yeom for sure!
Baek-Yeom is back!

It seems unbelievable that an Emperor has been reincarnated...
I suppose it must be true if he was also alive 150 years ago.
We think Gang-Hui already knows.

appear
These guys were sent by Baek-Yeom
Baek-Yeom must be back, Gang-Hui
I thought so

Then the king and Gang-Hui's deception has something to do with Baek-Yeom?
Why else would Gang-Hui do that?
Hong-Ryung...



What did you get yourself into?

PRINCESS!!

What's the matter?
Show
I found this on one of the dead assassins.

This is...!
...Bu-Ho's identity tag?
Why is there an identity tag on a dead assassin?
If what the Divine Bells said is true, then we didn't fight Bu-Ho's men.
Don't tell me!

It was on purpose?
To make it look like Bu-Ho carried out the deed.
Apparently, Baek-Yeom wanted to both kill the princess of Nan-Hun and also pin the blame on Bu-Ho.
Why would he do that?

A conflict between Bu-Ho and Nan-Hun...
In other words,

...a war

A-A WAR??
Well, even if it wasn't to that extreme, there's no doubt that he was trying to cause a conflict on an international level.

While it doesn't matter who tried to assassinate us, I can't overlook the fact that Bu-Ho was trying to assassinate Hoa-Back.
But I also don't like the fact that this Baek-Yeom is trying to manipulate things to his advantage.

Then that only leaves...

Why don't
you come with me
to Bu-Ho?

I'm so bored.
It's so boring without someone's constant chatter all day long
I miss April's nagging

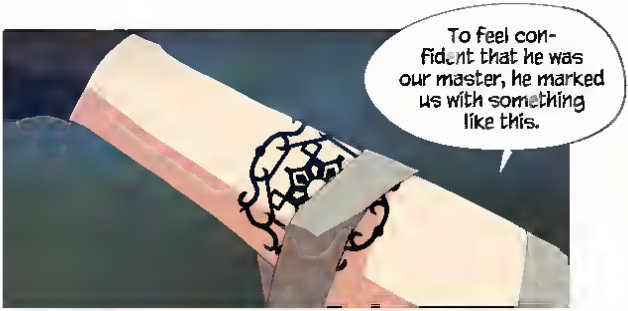
Yeah. One of the twins said he saw Baek-Yeom's seal on one of the assassins
Then does that mean Baek-Yeom sent those assassins?

Why did they attack No-Woo?
What does that seal look like?

Loosen

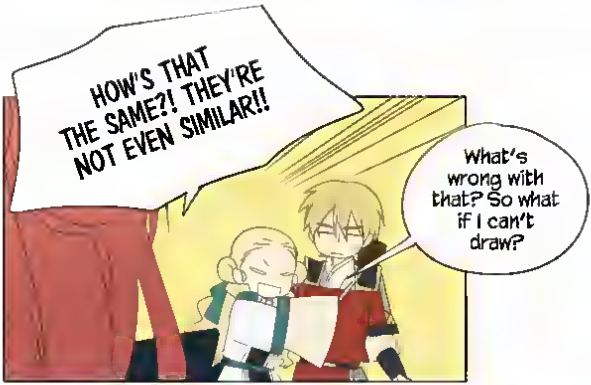


To feel confident that he was our master, he marked us with something like this.

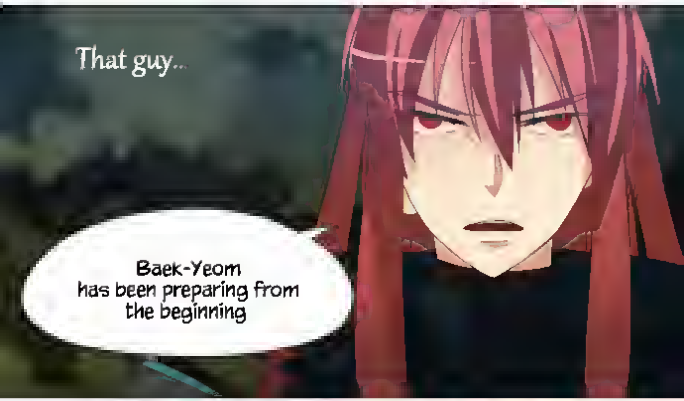
That just goes to show how mistrustful he is.
It seems he hasn't changed a bit.
...
What?
This looks like the tattoo I drew that time.
WHAT?

Something...
like this?

Semi
Double



HOW'S THAT THE SAME?! THEY'RE NOT EVEN SIMILAR!!
What's wrong with that? So what if I can't draw?



That guy...
Baek-Yeom has been preparing from the beginning

And on top of that, he knows that we're looking for Ga-Bi.
I found the commander of the assassin group, and it seems she knew about our journey from the start.
REALLY? WHY DIDN'T YOU SAY SOMETHING EARLIER?
Because I wasn't certain.
She's also a spirit power user, so I couldn't confirm it easily when she was being extra-cautious.
...

So... Baek-Yeom might have us just where he wants us.

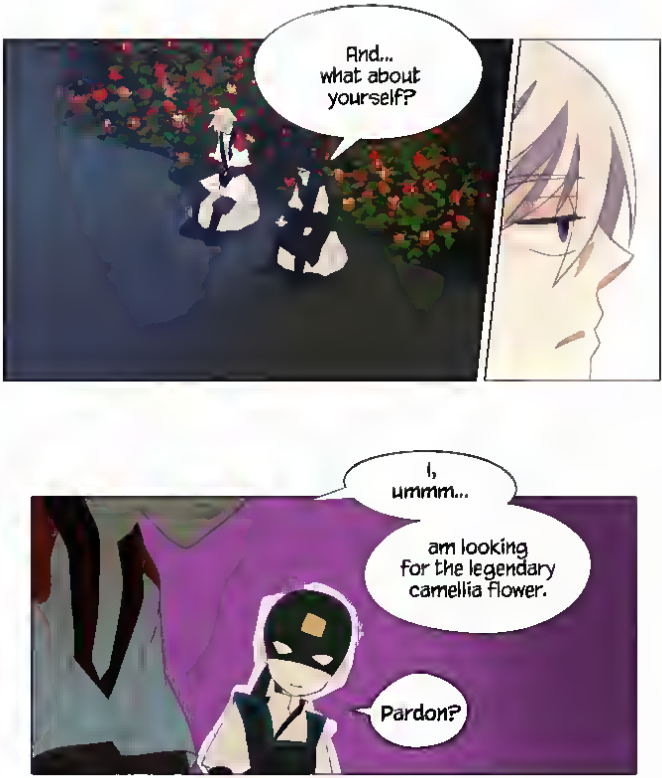
He manipulated both the emperor of Dae-Hyun and us in his attempts to find Ga-Bi.

That may be true.
But that doesn't mean that we should give up.
Even if it's exactly what Baek-Yeom wants, we must find Ga-Bi.
Because Ga-Bi is the only one who can get rid of Baek-Yeom.

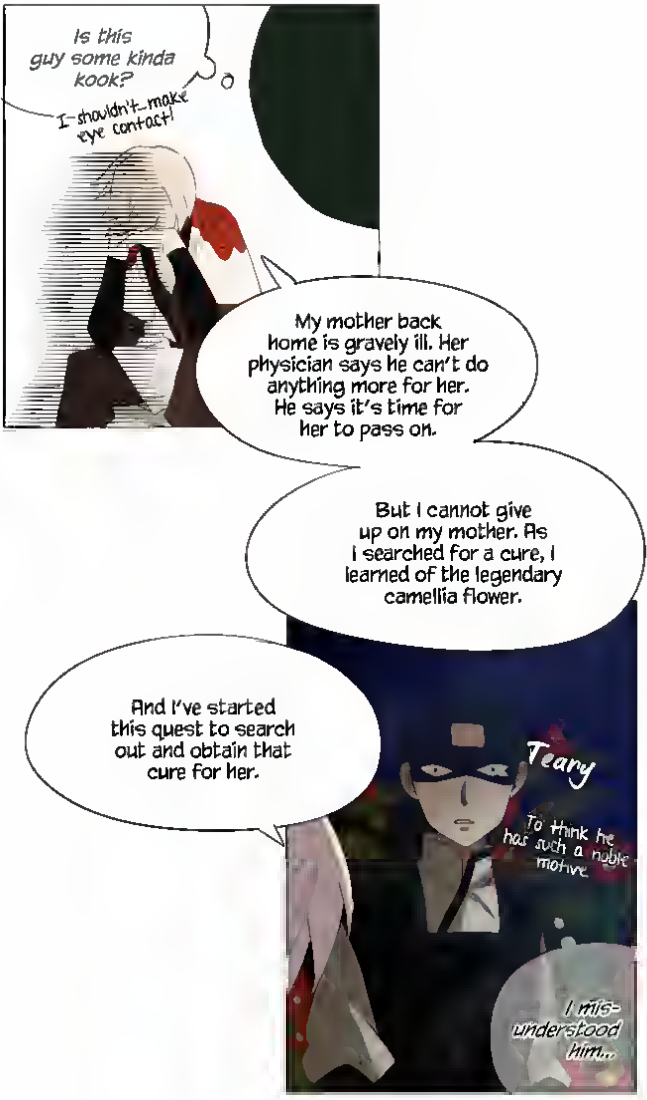
I see...
you're a... poet?
With a face like that?

Yes. I'm searching for camellias to inspire beautiful sonnets.
... Will he believe me?

Huh. I see.
Doesn't seem like it really matters.



And...
what about
yourself?
I,
ummm...
am looking
for the legendary
camellia flower.
Pardon?



Is this guy some kinda kook?
I-shouldn't-make eye contact!
My mother back home is gravely ill. Her physician says he can't do anything more for her. He says it's time for her to pass on.
But I cannot give up on my mother. As I searched for a cure, I learned of the legendary camellia flower.
And I've started this quest to search out and obtain that cure for her.
Teary
To think he has such a noble motive.
I mis-understood him...

But does the legendary camellia flower even exist?
It's obviously a lie, you dumbass!
He's not as smart as he looks.
It's true.
Then you must be wandering all over, looking for camellias.
That is correct.

I've been bored, so...
I keep getting lost, so...
Gets lost all the time

Why don't we travel together?

It's been a long time since I last met someone I could relate to so well.

My name is Dan.

Geez.
What a crappy name.

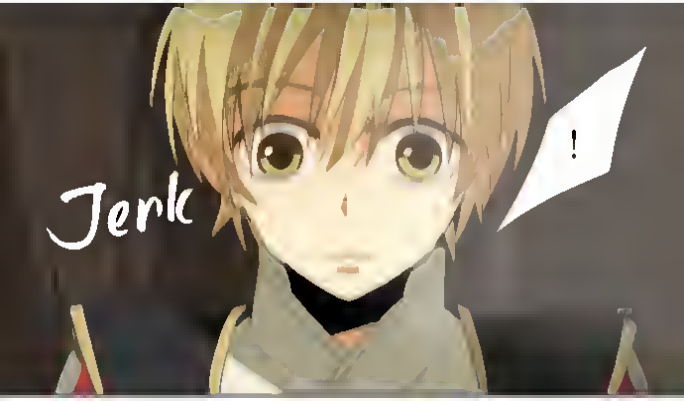
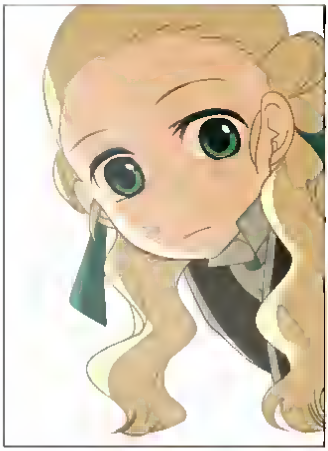
Sss
Damn



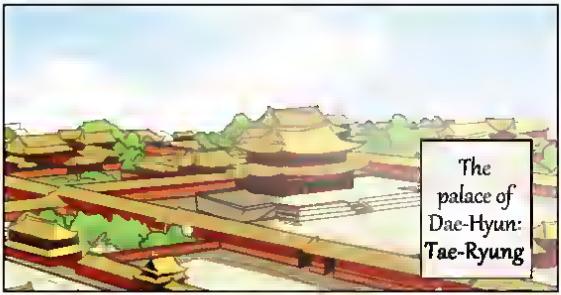
Jerk
!



You awake?
Did you have a nightmare? You're drenched in sweat.

...
I dreamt something...
But I can't recall it.
Seems like you were really tired.
It's not surprising, considering that we set off right after that fight.

We've been resting long enough, so let's get moving.
We're only an hour away from Il-Ju.
Then we should arrive soon.



The palace of Dae-Hyun: **Tae-Ryung**

Any word from those two?
They have not discovered anything noteworthy, and they are currently in Il-Ju.

Are you worried?
Worried?

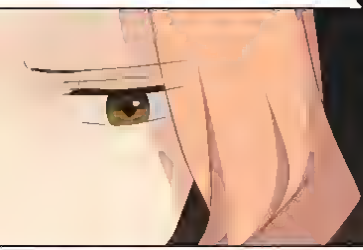
That we only sent those two.

Not at all.

Do not concern yourself too much. Guk-Yool should manage fine.
And Yun shouldn't go to extremes.

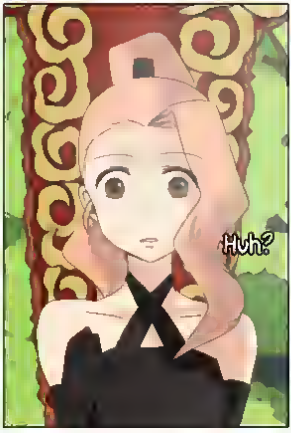
Because the other Divine Bell...

...is here
in Tae-Ryung.

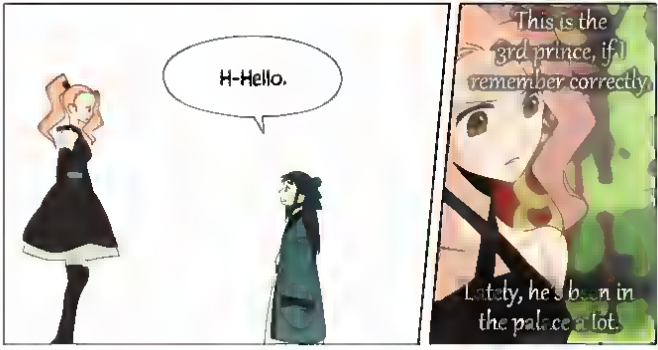


He separated us on purpose.
Will Yun be able to handle it?

I should've gone instead of Yun.
Approach



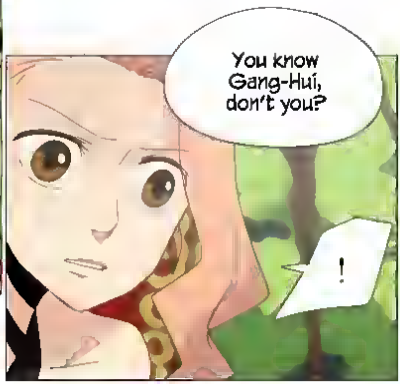
Huh?



H-Hello.
This is the 3rd prince, if I remember correctly.
Lately, he's been in the palace a lot.

I have a favor to ask of you. Could you please hear me out?

?



You know Gang-Hui, don't you?
!

The deaths of the Divine Bell Gang-Hui and the king of Myung-Joo were faked.

And I ordered it.
What?!
But why would a prince of Dae-Hyun do that?
Does the emperor know the truth?
He does not.
Then why did you reveal it to me?

What do you expect from me?
...

I want
you to tell me about my brother's actions.

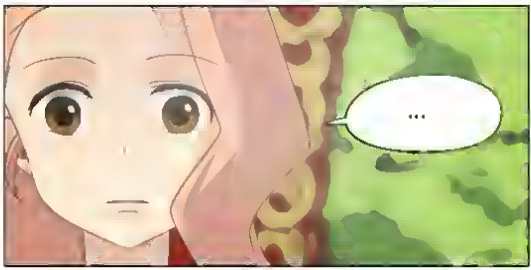
What exactly is my brother doing?
Why is he trying to find Ga-Bi?

I do not know if it's the right choice to talk to you right now.
My life will be in danger if my rebellion is uncovered
And I'm aware that I am puttin... you in a tight spot.
However, I want to stop my brother.
Clench
I have to do what I can in this palace...

To do so, I need to know what my brother is planning.

So I ask of you: please help me – no – help Gang-Hui.

...while everyone is searching hard for Ga-Bi.



Even I do not know much. The emperor doesn't trust Yun and me.
The one thing I do know, however, is the clue to Ga-Bi's location.
Do you mean the "place of camellias drenched in red?"

How did you know?
I heard it from Gang-Hui.
But you say my brother also knew about that. How did he know?
I was told that someone wrote it down and passed it on to the emperor.
The other Divine Bell with me has set out in search of Ga-Bi.
Then they might meet up with Gang-Hui's group if they are also searching for camellias.

Do you know where they are headed?
Yes, a messenger arrived a short time ago.
They seem to be at a place called Il-Ju.
Il... Ju...?

We're now
in Il-Ju!

There weren't many people before, but the population sure has increased since then.
Where do we go now?
I remember this place clearly, so trust me!
While we're here, you can depend on me.

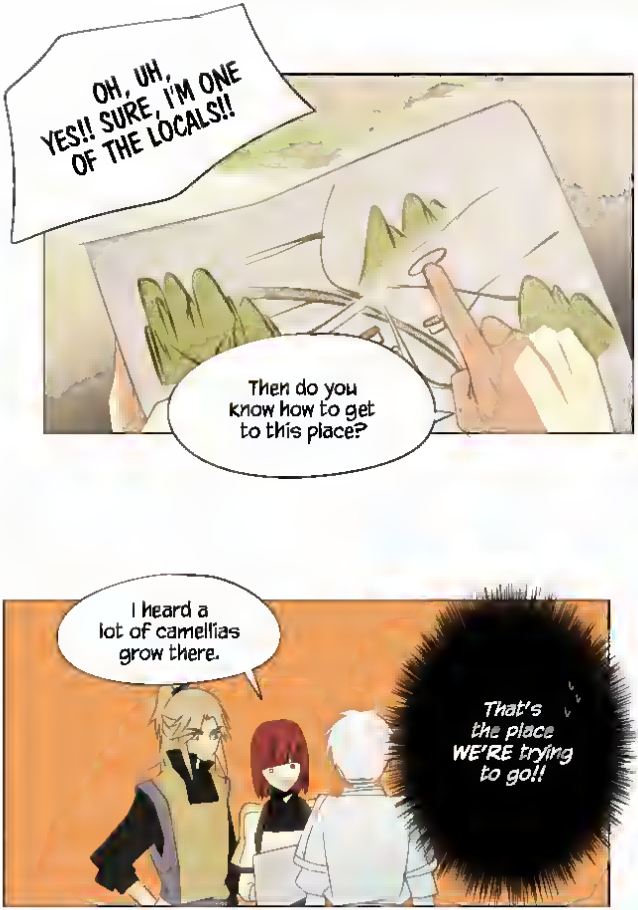
Are you one of the townsfolk?
Yes?



OH, UH, YES!! SURE, I'M ONE OF THE LOCALS!!
Then do you know how to get to this place?
I heard a lot of camellias grow there.
That's the place WE'RE trying to go!!

Then does this Divine Bell know about Ga-Bi's location?

Do you know it or not?
I-I KNOW IT!

If you take this path and take a right turn, you'll reach it after a while.

That path? It doesn't seem to be the right way...
Eeek!

UM, IT'S A SHORT CUT!! I KNOW IT WELL, UH, BECAUSE I WAS BORN AND RAISED IN THIS VILLAGE!!

Yes, it was definitely that Divine Bell!
But what's he doing in a place like this?
The same as us. They're also looking for the camellias.

How did they find out?
That's not the issue. The issue is, what should we do?
What about the other Divine Bell that we saw?
He was with someone, but it wasn't the Divine Bell from before.
So he's not with Ju-Hie.

Things will get nasty if we bump into them.
Should we give up on Il-Ju?
I did fool them into heading the wrong way, but they'll surely come back when they suspect something.
But we can't simply leave after we came all the way here.
Let's check it out as soon as possible—before they get back.
BUT WHAT IF WE RUN INTO THEM?

We don't have time to think about that.
We need to move as soon as we can.

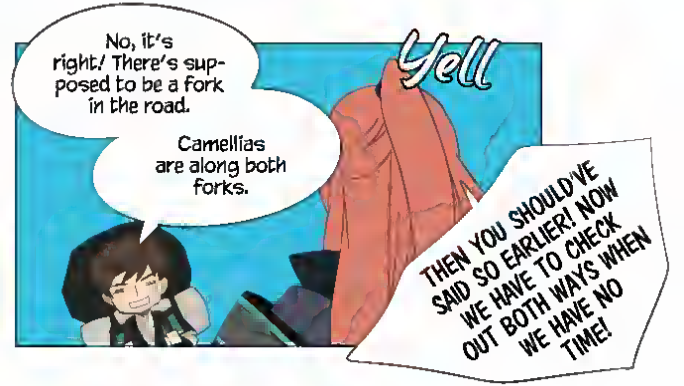
Season 2, Chapter 12:
Inevitable Meeting

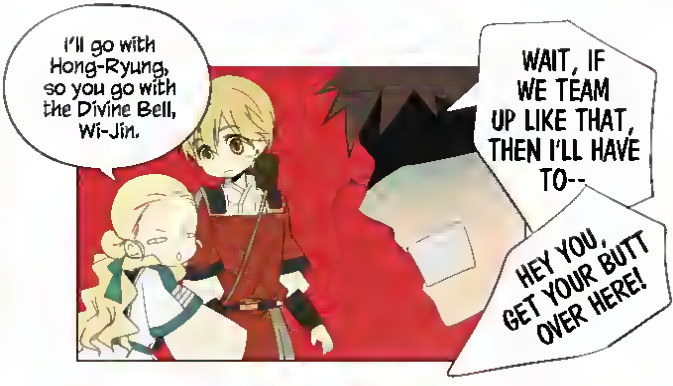
Huh?

A FORK IN THE ROAD?!
DID YOU LEAD US TO THE WRONG PLACE?



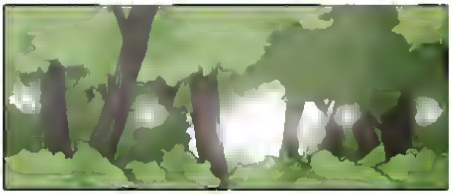
No, it's right! There's supposed to be a fork in the road.
Camellias are along both forks.
Yell
THEN YOU SHOULD'VE SAID SO EARLIER! NOW WE HAVE TO CHECK OUT BOTH WAYS WHEN WE HAVE NO TIME!

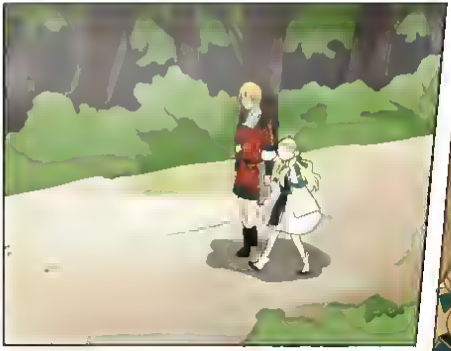
Let's split up into pairs and go both ways.
That's what I was going to say.



I'll go with Hong-Ryung, so you go with the Divine Bell, Wi-Jin.
WAIT, IF WE TEAM UP LIKE THAT, THEN I'LL HAVE TO--
HEY YOU, GET YOUR BUTT OVER HERE!

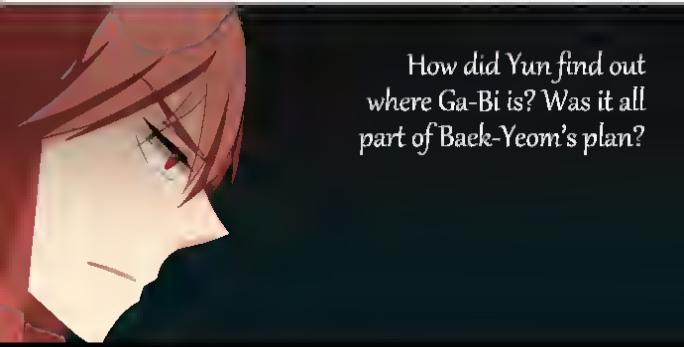
...
Distant
See you later, Wi-Jin.





Why do you look so down?
I'm a bit bothered by a dream I had earlier.
But didn't you say you can't recall it?
That's what I'm bothered about,
that I can't remember it.

...it might be something he shouldn't remember.



If they were sent by Baek-Yeom,

...how far did Baek-Yeom plan ahead?

What's the matter?

Who's there?

Is this really the right way??
Isn't this path leading nowhere?
...

Ah!
Excuse us! Could you give us directions?

We're trying to get to this place, but is this the right path?
Hmmm.

It seems you took a wrong turn. Your destination is way over on the other side, not here.
It's a long way back.
Ah, thought so.
WHAT?!

That bastard! I won't forgive him the next time I see him!
Ha-ha!

But why do you need to go there?
Eh? Why do you ask?

Because, not long ago, someone else asked me how to get there.
!

Step
I felt a menacing aura, so I was going to keep hidden and watch.
But it looks like you found me out.

Wi-Jin,
get back.
What?

He doesn't look like an ordinary foe.

Who are you?
What business do you have here?
I'd rather not reveal my identity here, so I cannot tell you.
Let me ask you the same question. Who are you?

This also isn't a good place for me to reveal it.
Oh really? Then why don't we each go our separate ways in peace?
What did he look like? The person who asked you?
He was large - just like a mountain.

I can't let you do that - you look too suspicious.
Ah! Now that I think about it, he had a scar near his eye.
A scar?
?

You can't let me go in peace.
Well, then...
Remove
...that's the way it's gotta be.

What? This guy is your Arms Master?
Ha ha
So you really are His Majesty's Divine Bell. I was torn up wondering about it.
Things would've turned out messy if we kept on fighting. Ha ha!

Is that all you have to say?
Master, why are you in Dae-Hyun?
I ordered the Covert Corps to search in countries other than Dae-Hyun because I was going to search here.
You disappeared suddenly and gave the order to find this Ga-Bi priestess, so I was very confused.
But, My Lord, the job of the Covert Corps is not to find the priestess Ga-Bi...

...but to secure your safety.

That is why I came to Dae-Hyun: to confirm your safety and to protect you.
The other captains of the Covert Corps agreed with my priorities
Master...

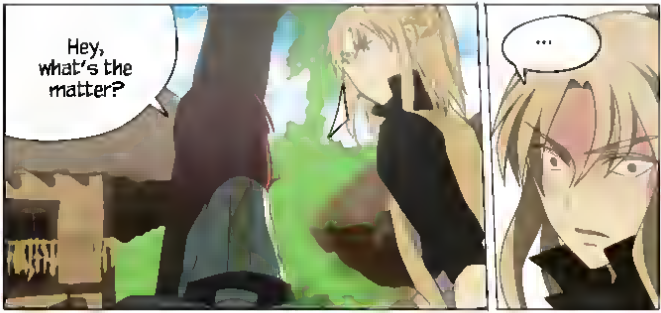
But I was lucky enough to find you quickly!
I was wondering where I should start.
This guy...!
But what were you going to do if we didn't meet up?
But still, we did! And here we are.

So, what are we going to do?
I used a lot of power when I thought you were Baek Yeom's minion.

Yun
must've noticed.

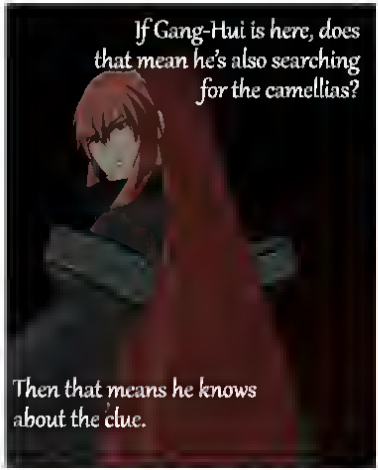
Clench
It's him.
That Gang-Hui...

He's here!!

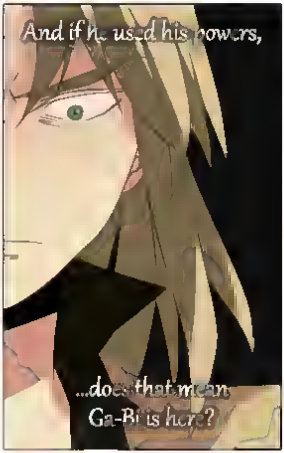


Hey, what's the matter?
...

This guy knows what Gang-Hui looks like.
Aren't we going?
If we bump into them, the emperor will know that Gang-Hui is alive.



If Gang-Hui is here, does that mean he's also searching for the camellias?
Then that means he knows about the clue.



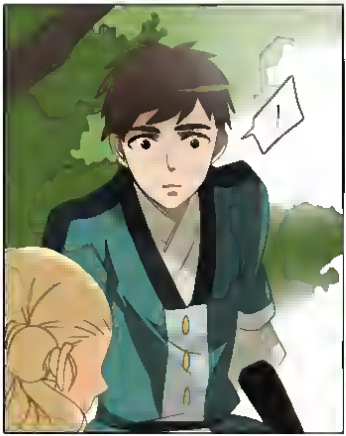
And if he used his powers,
...does that mean Ga-Bi is here?

But that in turn means...
Hey, can't you hear me?

...this one will find out. I can't let the emperor find Ga-Bi!

This is the worst. I'm cornered. What...

He's not too far from here.
Shouldn't we hurry then?
And I still wonder if it was okay to let King Hong-Ryung go off by himself.
Didn't Hong-Ryung say that he thought he knew who it was?
YEAH, BUT THAT MEANS HE MIGHT NOT!
Hong-Ryung is no weakling.
Even if he doesn't know Gang-Hui's opponent, it shouldn't be a problem.



That person!
Sneak

THEY-
THEY GOT WHACKED!! HE TOOK OUT MASTER GANG-HUI AND KING HONG-RYUNG! W-W-WHAT SHOULD WE DO?!
Will you just shut up?!

No one's here?

Really?
But your two companions
seem to be up there, though.

So you guys really do know each other.

If we're not in danger from that big guy, let's get outta here.
The emperor's Divine Bell is right on our heels.

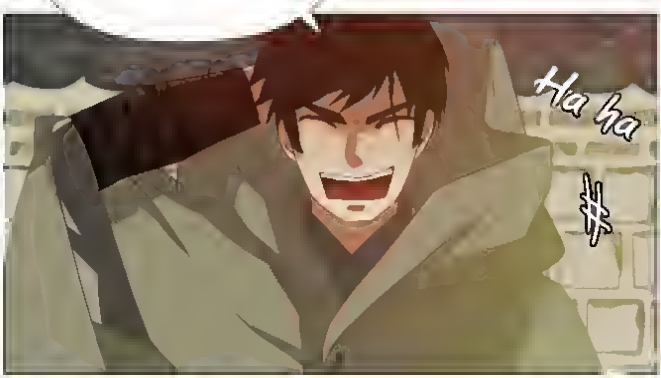
An Immoral Act

So you're Hong-Ryung's martial arts master?

That's right, nice to meet you.



We're so pleased to see you laughing and light-hearted after you nearly destroyed our plans and almost made us reveal ourselves to the enemy.

Are you that pleased to see me? Ha ha!

She's being sarcastic. Why are you laughing like that, master?

Anyhow, what should we do about this place now?
I went to the summit of both paths,
but neither seems to be the one we're looking for.
So they really aren't.
Then I suppose we should go look for the priestess who's lived more than a century.

A priestess older than 100?
We'll explain it to you later.
Glance

But where did Master Gang-Hui go?

Huh?

What are you doing here?

Everyone is looking for you.

Not much.

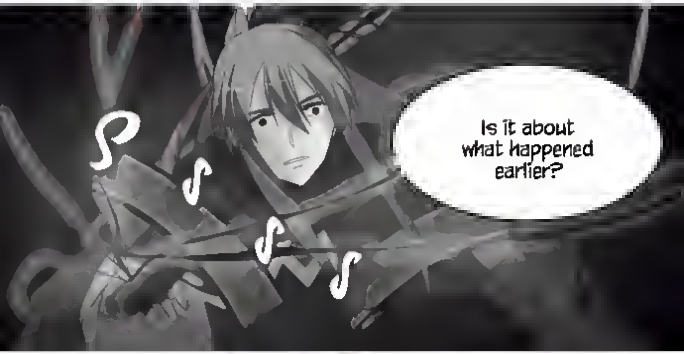
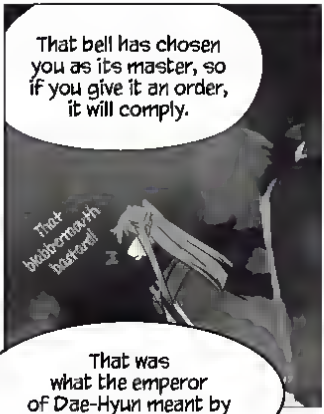
Master thinks that Ga-Bi isn't in this town. We're heading for Hyang-Won right away.

I see.

You don't look very happy.



Is it about what happened earlier?



That was what the emperor of Dae-Hyun meant by "an order" right?

I thought you didn't know how.

I found out how by pure chance.

I think I now have a feel for giving an order.

It looks like you detest it though.
If you were compelled to follow orders against your will, would you be happy?
It brings back memories that I don't want to remember.

What?

Why must I?
Because they are rebelling against me
HOW CAN YOU SAY THOSE CHILDREN ARE REBELLING? TRY TO THINK THIS OVER FIRST!

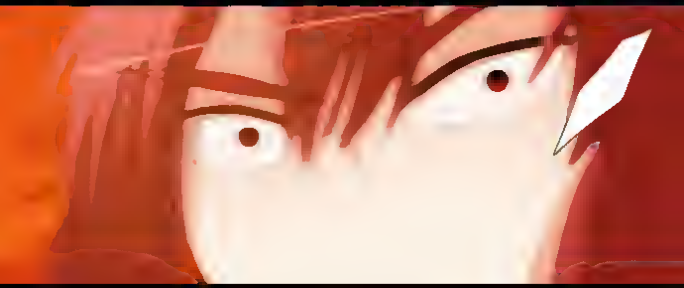
like that

Ga-Bi's creations are still defective, aren't they?
What?
Defective creations that go against their master.
YOU...!
Kill them.

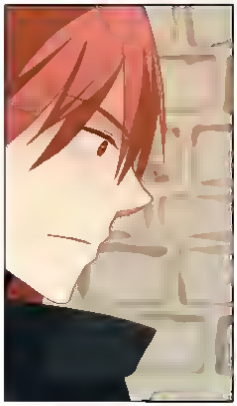


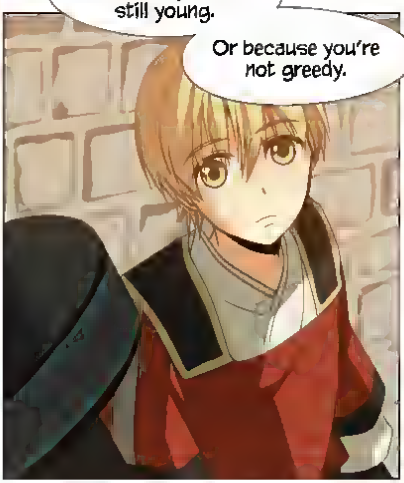
Baek-Yeom ordered something like that?
He's done even worse things.
Why?
Don't know. He ordered those things, yet never told us why.

I think
I understand
it now.
Why Ga-Bi
had to seal all of
you and herself all
those years ago.

I won't do it anymore.
?

Giving orders. I won't do it again if it upsets you.
Anyway, I didn't become your master by your choice, so I don't have a reason to command you.





Maybe it's because you're still young.
Or because you're not greedy.

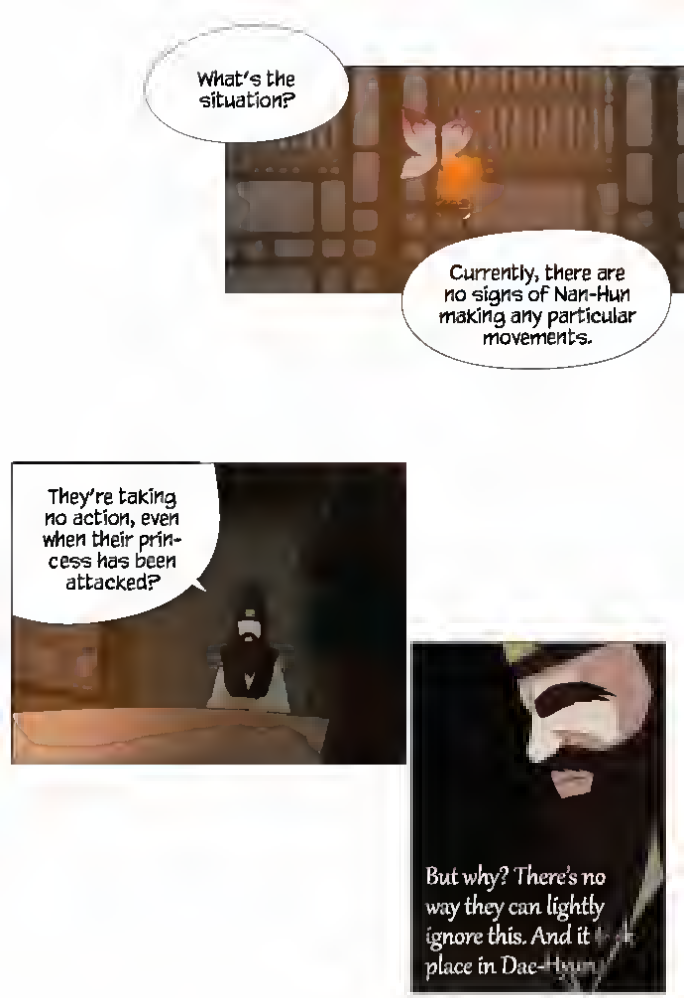
How can a human not have such desires?
I just think you're trying to be considerate of me when you say that.

And I think I was lucky enough to meet you while I'm still young.
If I met you when I was older and had experienced more things in the palace, I might be more selfish.

Well, you already sound like an old man when you talk that way, you know?
...

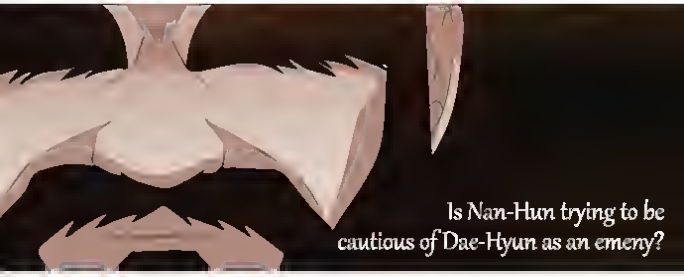
It's a compliment.
Why are you giving me that look?
What part of it was a compliment?

The Palace of Bu-Ho: Cheon-Ye

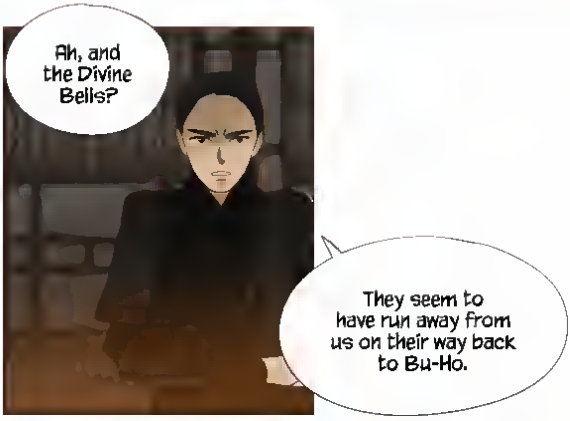


What's the situation?
Currently, there are no signs of Nan-Hun making any particular movements.
They're taking no action, even when their princess has been attacked?
But why? There's no way they can lightly ignore this. And it
place in Dae-Hyun

What about Dae-Hyun?
Dae-Hyun does not seem to be even aware of the attack.
I thought things would work out better because she was attacked by a third party before my men could attack. But why is there no response?
Clench
Maybe I should casually bring it up? No. That might backfire and put me in a difficult position.



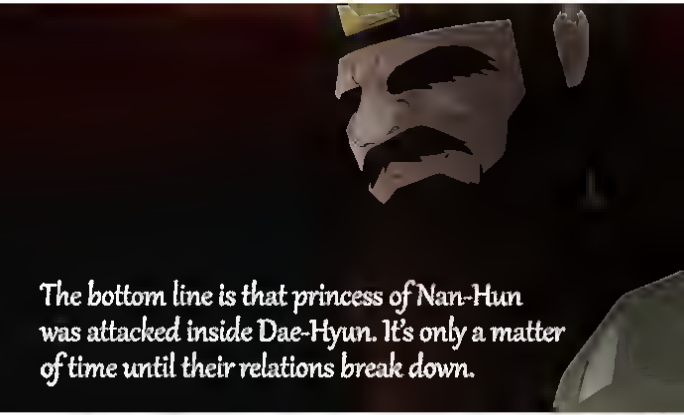
Is Nan-Hun trying to be cautious of Dae-Hyun as an emeny?



Ah, and the Divine Bells?
They seem to have run away from us on their way back to Bu-Ho.

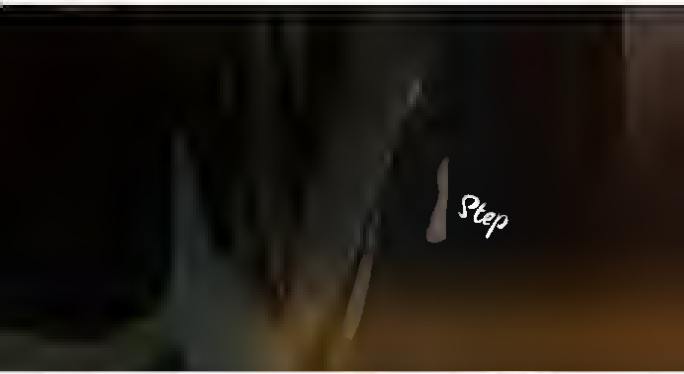
At a time like this!
I see. You may retire now.

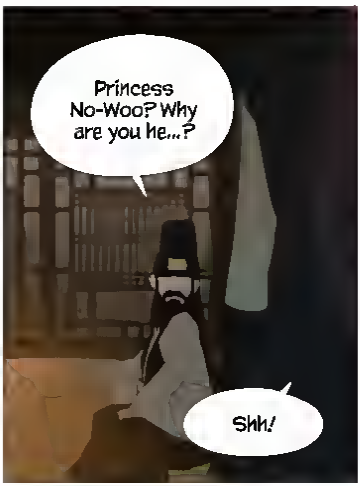
Shut



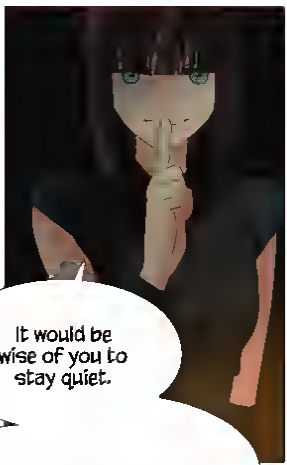
The bottom line is that princess of Nan-Hun was attacked inside Dae-Hyun. It's only a matter of time until their relations break down.

You seem to be in a good mood.





Princess No-Woo? Why are you he...?
Shh!



It would be wise of you to stay quiet.
If anyone finds out that I'm here, it will cause trouble...

...for you,
King Dan-Hak.
